# Explore Andalucía

Discover the essence of Spain as you fly over unblemished countryside and sun-kissed beaches. With its fusion of Moorish and Spanish cultures, Andalucía is a sun-dappled, spirited and passionate place where you'll experience some of the most breathtaking flying of your career!

## **INCLUSIONS:**

**ACCOMMODATION:** 7 nights in our private villa with own room and pool access. Can cater for non-flying partners at additional cost.

**MEALS:** Fully catered restaurant grade meals with alcoholic and non-alcoholic beverages included during stay. Beer and wine served with evening meal and after final flight.

**EQUIPMENT\*:** Your choice of Parajet Maverick paramotor fitted with either moster or Atom 80 engine. Fuel and oil included. Access to workshop facilities if required.

**TRIPS:** Fully supported flying experience from our private airfield with professional guides and BHPA instructors on hand throughout.

**TRANSFERS:** You will be met by our team at Seville airport. We will then seamlessly transfer you and your gear to the villa. We will also return you to Seville airport in plenty of time for your flight home.

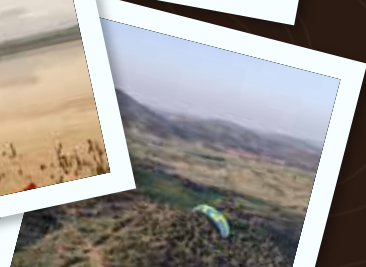

## **PILOT REQUIREMENTS:**

**SKILL LEVEL:** All pilots must have undergone professional paramotor training, completed at least 12 successful flights, and been actively flying in the past 4 months.

**EQUIPMENT:** All pilots must provide their own wing, helmet and comms radio equipment, as well as suitable clothing and footwear with good ankle support. Sun protection advised.

**INSURANCE:** All pilots must be covered by personal liability insurance with medical cover. BHPA membership can be taken out with us and we can issue your BHPA license if required.

\* All spares/breakages are at additional cost

# Sample Itinerary

Our guided adventures are designed to be accessible excursions across iconic locations accompanied by an experienced cross-country team acting in guidance and ground support roles.

**ARRIVAL:** You'll fly into Seville. On arrival we'll transfer you to our villa for welcome drinks, kit setup and pilot briefing.

**DAY ONE:** You'll spend today at a leisurely pace, bonding with your guides and other guests, familiarising yourself with our private airfield, and undertaking a sample tour.

**DAY TWO:** Today you'll embark on an excursion to the 'Volcano', returning via the hilltop Olveira Castle. You'll also have the chance to enjoy a sunset blast over the local gorge.

**DAY THREE:** Today's included excursion takes you to the iconic beaches of Trafalger. Buzz the lighthouse and explore the Martello tower before enjoying a swim, beach BBQ and more beach flying.

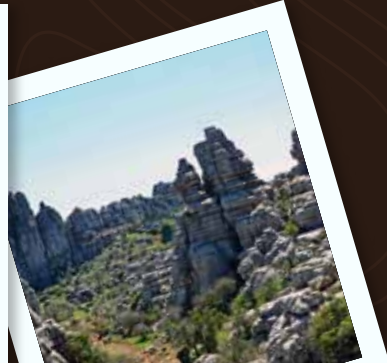

**DAY FOUR:** All day tour of Lake Bornos. Bornos sits at the foot of the Fontanar fortress and the Guadalete River. Home of the slalom comps, it's considered as one of the most beautiful areas in Northern Cadiz.

**DAY FIVE:** Spend the morning exploring Algodanales, perched in the foothills of the Sierra de Lijar mountain range. When you're feeling peckish, we'll land out and dip into some local tapas before heading home for more flying or an optional excursion to the Rhonda gorge and bridge.

**DAY SIX:** Today's excursion is to the most important karst landscape in Europe; the unique topography of the Sierra del Torcal mountain range. Fly over the four cardinal points and complex limestone forms in one of the most beautiful places in the world.

**DEPARTURE:** You will enjoy a hearty farewell breakfast before we return you and your luggage to Seville airport in plenty of time for your flight home.

**PLEASE NOTE:** Events take place outside in varying weather conditions (often with little or no warning). We reserve the right to deviate from our original itinerary and flight plans based upon meteorological conditions, pilot experience and where it is necessary to do so to ensure your safety. You are responsible for your conduct during the trip. We reserve the right at any time to ground pilots until further notice if, in our reasonable opinion, your physical ability and/or behaviour has or is likely to cause danger, upset, distress to you, any other pilot, event staff or to property. The Chief Flying Instructor's decision is final.
